In Memoriam

In loving memory of Calvin Iriving who passed away September 15, 1977.
May you always walk in sunshine.
God's love around you grow
for the happiness you gave us
No one, will ever know,
It broke our hearts to lose you
But you didn't go alone
For part of us went with you
The day God called you home.
Sadly missed by
Wife and Son
Sisters and brother

Card Of Thanks

To my friends, neighbors and churches in the county . . . my grateful appreciation and gratitude for your many remembrances and acts of concern during my hospitalization and since my return home. Your caring and thoughtfulness meant a great deal to me and to my family. Ben Harvey
9-14-1tp

THANK YOU

Perhaps you sang a lovely song,
Or sat quietly in a chair;
Perhaps you sent beautiful flowers,
If so, we saw them there.
Perhaps you sent or spoke kind words,
As any friend could say;
Perhaps you were not there at all
Just thought of us that day.
Perhaps you prepared some tasty food,
Or maybe furnished a car;
Perhaps you rendered a service unseen,
Near at hand or from afar,
Whatever you did to console the heart,
We thank you so much, whatever the part.
The family of the late
Mary Ellen Hamlett Stevens

Distributive Education Offers Advertising Workshop

Mr. Frederick Brooks is a graduate of Amherst County High School and a native born Virginian. In 1968 Mr. Brooks joined Carter Glass and Sons Publishers, Inc. in the mail room of the Advertising Department. Promoted to salesman within two years, Mrs. Brooks was fortunate in that he is trained in both the old hot-type and the new cold-type method of publication. He is now working in the advertising **Lynchburg News and Daily Advance.** He has sold some advertising in the Appomattox area and stresses both flexibility and creative thinking in his advertisements. Mr. Brooks is well aware of the small businessman's needs as he services over one hundred small accounts at present and this number is rapidly increasing. Drawing on this experience, he has designed a somewhat unorthodox yet effective advertising workshop with this in mind.

CORN GROWS TALL IN APPOMATTOX COUNTY as attested by the ready that Henry Barger extends. This is Pioneer 3147 that's being harvested as silage.
J. A. Smith, County Extension Agent, said that forage tests of the 1978 harvested corn silage indicate a high quality crop. Corn harvested as silage has the potential for large amounts of TDN on a per acre basis.

GOOD TOBACCO CROP - W. M. Martin, of Route 2, Concord, is shown with his granddaughter, Robin Drumheller of Michigan, standing in his three-acre tobacco crop. The picture was taken in July. From the three-acre crop, Mr. Martin filled three tobacco barns, the best crop he has ever had.
